CivilSurv Design Group, Inc. is uniquely qualified to serve as a sub-consultant for Public Involvement projects as a Disadvantaged Business Enterprise (DBE) Firm. We are well known and respected in the FDOT Consultant Community and provide quality services with a responsive and timely management approach.

CivilSurv can greatly strengthen your team. Our contact information is listed at the bottom of the page, and we ask that you note the following **KEY ELEMENTS** of our **Public Involvement SERVICES**:

EXPERIENCE

Our Team has unparalleled experience and resources

- CivilSurv staff have provided Public Involvement services throughout the State. With extensive experience in all aspects of transportation projects, our professionals and staff are well versed in Department procedures.

RELATIONSHIPS

Project approval requires close working relationships with regulatory staff. Our Team has outstanding relationships and are proven consultants for FDOT, and other agencies:

- SWFWMD, SFWMD and SJRWMD
- Local City and County Agencies

SERVICES

We offer the total package for your projects including:

- Newsletters
- Websites
- Press Kits
- Charettes
- Surveys

LEADERSHIP

Our Team is well-known, with firmly established reputations throughout Florida.
